Strategic Renewal Plan
2012—2016

A Strategic Renewal Plan is for the benefit of the whole school community. It enables us to establish goals and identify strategies for achieving these goals. The Strategic Renewal Plan also provides a framework for accountability to the Brisbane Catholic Education Archdiocese and governments on an annual and five yearly basis when we evaluate how well we have met our articulated goals.

Christian Values

In embracing our School Vision of ‘A Connected Community’, we will Value:

I. The mission of Jesus in order to make God known and loved.

II. The contribution of educational research to improve school-wide pedagogical practice.

III. The influences we all have on the lives of others.

IV. Learning as the first priority.

Catholic Family

In embracing our School Vision of ‘A Connected Community’, our Family will have:

I. A strong sense of social justice.

II. An environment that encourages and challenges students of all levels to learn and strive for excellence.

III. Strong connections between our School and Parish.

IV. Positive communication between school and home.

Individual Growth

In embracing our School Vision of ‘A Connected Community’, Growth will occur through:

I. The faith and formation of school leaders with a special emphasis on the Josephite charism.

II. The capacity of school leaders to embrace the use of technology in learning.

III. Community connections and partnerships.

IV. Strong systems for equitable resource management, including access to professional development and technology.
