A Movie and a Playground

Prep/1 visited the Hervey Bay Cinemas for an end of year special treat. Loaded up with big tubs of popcorn, they settled down to watch the Disney movie, Turbo.

Everyone was excited, including the teachers. . .

. . . and helpers.

The staff at the cinema were great and everyone enjoyed the movie.
After the cinemas, it was time to visit the All Abilities Playground.

We squeezed in a play before lunch.

It was fun.

‘Push us higher, Mrs Blinco!’
All aboard!!

This boat is sinking!

Are you guys sure about this?

It looks deep.

This is cool!
We had a quick break for lunch on the grass in the shade under the trees.

And then it was time for more play.

We were able to hang out on the swings . . . again.

And we got quite dizzy on the spinning bar.
We followed the squiggly lines... which made us tired.

We had to have a rest.

After all our swinging, sailing, twirling, running and playing, we were ready for home. We had a great day at Hervey Bay.
