On Thursday, the 15th of October, Prep/1 boarded the bus loaded up with bikes, scooters and boogie boards. We left bright and early at 8 am sharp and drove to Kelly’s beach in Bargara. It was a beautiful day and a great place for a swim.

We had plenty of parent helpers to keep a close eye on our swimmers.
Everyone had a fabulous time!
The noodles were a big hit!
And so were the boogie boards!
For lunch, we had fish and chips. Yum!

We then played on the giant turtle playground. There was so much to do on it. So cool.
When the playing was finished, it was time for ice-creams.
Next stop was Baldwin Swamp Environmental Park. It was pretty awesome as well. We unloaded our bikes and scooters ready to hit the paths.

First we needed our helmets. The teachers brought over our bikes.

Mrs Bee, that’s my bike!!

We were soon ready to ride.

The paths were fun to ride on.

Can you pick who these cool dudes are?
We found some obstacles along the way.

When we were tired of riding, we found lots of fun things to do on the playground.
Even Mrs Hinton had a play.

We finished the day off with a cake for Charlotte’s birthday.

Happy birthday Charlotte!!
