Hanging 10 at Bargara

On Friday, the 29th of November, the Year 6/7’s travelled to Bargara for their end of year celebrations. With perfect weather and tides, they took on a surfing lesson. The students were broken into two groups. While one group learnt the in’s and out’s of staying on a board, the second group had time to play with boogie boards under the supervision of Miss Robba and Mrs Royan.

Miss Robba kept a watchful eye on Charlie.

With some help from Selena.

Even Mrs Royan had a turn on the boogie board.

Meanwhile, our surfers were learning (on pretend boards) how to jump to their feet while riding a wave.
After a few practices, they were ready for the real thing.

They had a lot of fun trying to stand. It took patience.
In no time, our surfers started getting the hang of it and managed to stand up. Nice work.

There were a few spills . . .

And different styles.

Finally it was time for the groups to swap over. Mrs Royan was keen to have a go on a bigger board.

Everyone listened intently to our instructor.

And surfed on the pretend boards.
Almost ready for the water.

And so the surfing began.

In all kinds of styles.
After an enjoyable morning, what better way to finish it than with pizza for lunch. Yum.

Once we’d finished lunch, it was time to board the bus and head home. What a great day we had ‘Hanging 10’ at Bargara.
