Local Artist Visit

Last Tuesday, Year 4/5 was lucky enough to have a visit from Marilyn Murray, a local artist.

Marilyn worked with the very keen students drawing upside pictures.

The students were each given a choice of sketches to pick from. They then had to turn their sketch upside down and draw it.
It proved quite challenging but the students had fun and produced some great sketches.

Marilyn also taught the children about proportions in faces, showing them an easy method of how to position noses, ears, mouths and eyes etc.

In the short time Marilyn spent with the students, they all enjoyed her visit and learnt a little more about drawing and art skills.
