Principal’s Message

Last Friday, we celebrated our school Athletics Carnival at the Show Grounds. In terms of student participation, effort and behaviour, it was perhaps our most successful carnival in recent years. Furthermore, many active parent helpers ensured all events were well run.

Congratulations to Wira on their victories in the Aggregate and March Past. Congratulations to Djaaan, winners of the Ball Games events.

Age Champions:
- 8 YRS: Xavier Freeman & Nadia Bodnar
- 9 YRS: Luke Maroney & Theresa Bretherton

ST. MARY’S COLLEGE

TASTER DAY
TUESDAY 28TH JULY

We invite all students, of any age, to experience secondary school at St Mary’s College for a day!

The transition into high school can be daunting for students and parents. St Mary’s College values the benefits of transition for our new students. To assist parents in finding out more about St Mary’s as an option for secondary, we invite students of the Fraser Coast to come and try our Taster Day.

The Taster Day is designed to help you and your child to begin exploring secondary school options with St Mary’s College in mind. You will begin to make connections with others in our community and your child will be offered a full secondary school experience for the day. From the moment you arrive at the campus, staff and students will be on hand to greet you and answer any questions you may have. Morning tea facilities will also be available if you wish to have any queries answered or would like to discuss with key staff the things that make St Mary’s College a wonderful place to engage in learning for your child.

All visiting students will receive a Taster Pack that includes information on St Mary’s College curriculum, extra curricular programs and enrolments that will help you to make an informed decision about your child’s education and future.
