Difficulty Paying?

It is important to contact the Finance Officer or Principal if you are unable to pay your fees by the due date. It is our policy to assist parents who may be experiencing difficulties in meeting fee obligations. Making contact as early as possible allows us to come to an arrangement before circumstances become more difficult.

Fee Concession

No family should endure unreasonable hardship because of school fees.

Any concession to school fees will be looked at in terms of:

- Financial needs of the family.
- Responsibility to full fee-paying parents.
- Efforts made in paying the fees.

Any fee concession is only applied to school fees.

If you believe you may be eligible for a concession on school fees, please contact our Finance Officer for an application.

St Joseph's School - Collection Policy

The following guidelines have been issued by Brisbane Catholic Education:

- On the expiry of a due date, a Reminder Notice is sent giving fourteen days to pay.
- If a suitable response is not received within fourteen days, the Principal or designated person will make contact by phone.
- If there are no obvious extenuating circumstances, the Principal may warn the family that the collection process will begin.
- If suitable arrangements are unable to be made following the sending out of a Reminder Notice and personal contact, the Principal or designated person may send out a Final Notice giving a further two weeks to pay.
- If, after two weeks from sending out the Final Notice, no satisfactory arrangements have been reached and there appears to be no workable solution, the account may be forwarded to a collection agency.
